SUMMARY

Product builder and brand storyteller across Korea and the US. PM at Trywepp (AI platform connecting VCs with founders) and Product Designer & Marketing Lead at Sellii (AI deal-hunting agent). MIS + Software Engineering double major. Drove 1.5× audience growth and 40%+ web traffic increase as Editor-in-Chief of Korea's largest student newspaper. Two projects awarded at Kookmin academic conferences. Seeking internships in product, marketing, or brand – especially companies bridging Korean and US markets or building AI products.

EDUCATION

Kookmin University Mar 2023 – Feb 2027 (Expected)
B.B.A., Double Major: MIS & Software Engineering Seoul, South Korea
• **Global PBL Program, AI for Business** (Mar–Aug 2026, Irvine, CA): Selected as top 1% of applicants for Kookmin's flagship US-based program combining AI project training with industry placement.

EXPERIENCE

Trywepp Feb 2026 – Present
Product Manager Irvine, CA
• Led product direction for a team of 4 on an **AI platform connecting VCs with early-stage founders**; scoped MVP and prioritized features across 3 sprint cycles.
• Architected **6-agent AI analysis pipeline** with synthesizer layer – reduced from 8 agents, cutting infrastructure cost by **25%** while sharpening signal quality.
• Drove **full product pivot** to founders × VC marketplace in 3 weeks after identifying retention failure (4/30 returning users); validated through 7 angel-investor conversations.
• Ran Reddit GTM experiments achieving **200+ organic impressions**; structured pre-launch user testing with 6 recruited participants.

Sellii Feb 2026 – Present
Product Designer & Marketing Lead Irvine, CA
• Led design and marketing for a 3-person team building an **AI agent (GPT-4o Vision + Playwright)** that surfaces profitable reseller opportunities across Facebook Marketplace, OfferUp, and Craigslist.
• Designed 3-tier automation UX (alerts / drafts / full auto), reducing estimated onboarding time by **40%** through trust-centered progressive disclosure.
• Produced **4 video scripts**, ran Reddit/Instagram campaigns reaching **500+ targeted users** in launch week; shipped MVP through **9 phases** in under 3 months.

Kookmin University Newspaper Mar 2024 – Mar 2025
Editor-in-Chief Seoul, South Korea
• Led **30+ student journalists, editors, and designers**; rebuilt 10-year-old internal tool and redesigned website – drove **40%+ traffic increase** (Google Analytics) within one semester.
• Launched Reels-first Instagram strategy – grew followers **1.5×** and average reach **3×**; introduced Notion team-wide, cutting coordination time by **30%**.

Kookmin University Newspaper Mar 2023 – Mar 2024
Design Team Member Seoul, South Korea
• Designed **50+ visual assets** across publications and digital platforms; foundation role preceding Editor-in-Chief appointment.

PROJECTS

Divers(C)ity | Migrant Worker Rights Platform | 2nd Place, 2025 Global Co-Prosperity Conference Nov 2025
• Sole author of 16-page proposal; designed 8+ Figma screens; architected 5-module platform combining AI personalization and blockchain verification. Selected from 10 finalist teams (37 students).

AI-based Pet Insurance Platform | 2nd Place, 2023 Kookmin MIS × Finance Conference 2023
• Co-designed AI-powered pet insurance using wearable health data and collaborative filtering; awarded 2nd Place among 15+ competing teams.
